

THE GHSU/AAID MAXI-COURSE®

COMPREHENSIVE TRAINING PROGRAM IN IMPLANT DENTISTRY

25 Years of Excellence

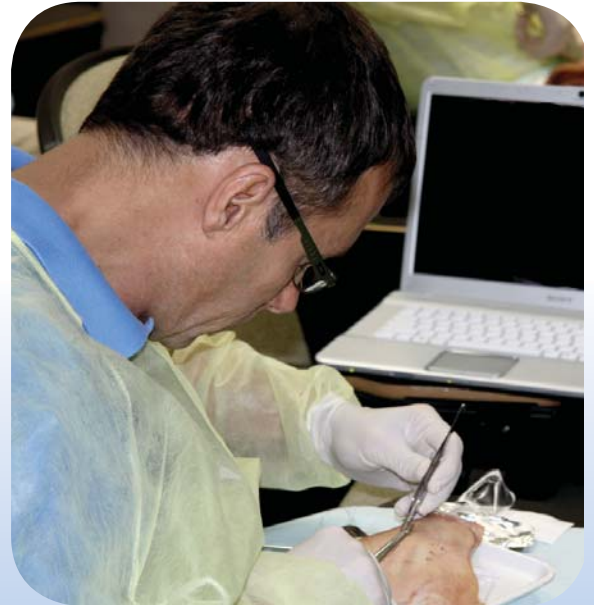

Over 300 hours of Continuing Education
4 Days of Applied Clinical Anatomy
Over 50 hours of Live Surgery and Hands-on

The American Academy of Implant Dentistry
Atlanta Institute for Advanced Education

"One of the most wonderful experiences in my career!"

BENEFITS OF THE PROGRAM

OVER 1000 GRADUATES

- Interact and network with the world's most renowned clinicians
- Enhance the scope of patient care available in your practice
- Increase your knowledge using state-of-the-art technology

COURSE OBJECTIVES

This course will enable participants to:

- Discuss the basic sciences as they relate to implant dentistry
- Assess many implant systems and applications
- Qualify to take the AAID Associate Fellow Membership Exam
- Observe live surgical and prosthetic implant demonstrations on patients

"I have practiced dentistry for 29 years and have taken hundreds of hours in Continuing Education. The GHSU Maxi-Course® has enhanced the quality of patient care more than all courses combined."

Ralph Cohen, D.M.D.
General Dentist
Atlanta, Georgia

COURSE DESCRIPTION

As one of the most respected comprehensive implant dentistry training programs, presenters include approximately 25 renowned university faculty, world class clinicians and the country's top authorities in implant dentistry.

THE COURSE WILL PROVIDE OVER 300 HOURS OF LECTURE, APPLIED CLINICAL ANATOMY, LIVE SURGICAL DEMONSTRATIONS AND HOME/OFFICE ASSIGNMENTS. The program is presented once a month, over a 10-month period. The written portion of the AAID Associate Fellow Membership Examination will be given during the December session. The September session is designed for the entire dental office staff to develop a team approach to implant dentistry.

This course is a **MUST FOR ALL GENERAL DENTISTS AND SPECIALISTS** who want to be proficient in implant dentistry and become an Associate Fellow Member of the AAID.

COURSE DIRECTORS

Edward Mills, D.D.S.

Co-Course Director

Dr. Mills, Past President of the American Academy of Implant Dentistry and Past Director of Emory Adventist Hospital's Hospital-Based Residency in Atlanta. He is a Fellow of the American Academy of Implant Dentistry and a diplomate of the American Board of Oral Implantology.

Roman Cibirka, D.D.S., M.S.

Co-Course Director

is Vice President for Instruction and Enrollment Management and Associate Provost for Academic Affairs at the Georgia Health Sciences University. He is an Associate Professor of Oral Rehabilitation in the GHSU College of Dental Medicine and a Fellow of the Academy of Prosthodontics.

"The GHSU Maxi-Course® in implant dentistry is one of the most comprehensive continuing educational experiences I have had. This course offers the best of the best in implant reconstruction, partnered in an environment that facilitates academic excellence. This course without question, provides exceptional value for the educational experience. I would recommend this course to both beginning implant dentists and advanced reconstructive surgeons alike."

Daniel P. Brunner, M.D., D.D.S.
Oral and Maxillofacial Surgeon,
Atlanta, Georgia

2012 DISTINGUISHED COURSE FACULTY

-The Dream Team-

Edward Mills, D.D.S., practices adult restorative dentistry in Atlanta. He is Past President of the American Academy of Implant Dentistry, Past Director of the Hospital-Based Residency Program at Emory Adventist Hospital, a Fellow of the American Academy of Implant Dentistry and a Diplomate of the American Board of Oral Implantology.

Gerard J. Chiche, D.D.S., the Thomas Hinman Professor and Director for the Center of Esthetic and Implant Dentistry at the Georgia Health Sciences University, received his dental degree from the Louisiana State University in 1979. Prior to joining GHSU, Dr. Chiche was Chairman of the Prosthodontics Department at LSU from 1993 to 2008.

David Garber, D.M.D., a multidisciplinary private practitioner in Atlanta, is a Clinical Professor of Periodontics and Oral Rehabilitation at the Georgia Health Sciences University and a Clinical Professor of Prosthodontics at Louisiana State University. He is an Adjunct Professor of Restorative Dentistry at the University of Texas.

Thierry Bacro, Ph.D., P.T., associate professor of regenerative medicine at the Medical University of South Carolina and director of the university's Center for Anatomical Studies and Education, earned a physical therapy degree from the Medical University of Lille, France. He earned a master's degree in exercise physiology and a Ph.D. in developmental biology and anatomy from the University of South Carolina.

Shahrokh C. Bagheri, D.M.D., M.D., FACS, chairman of oral and maxillofacial surgery at Northside Hospital in Atlanta, is a clinical faculty member at the Georgia Health Sciences University and Emory University. He earned a dental degree from Harvard University and a medical degree from Emory University, where he also completed a residency in oral and maxillofacial surgery and a general surgery internship.

Stephen Bankston, D.M.D., is a private practitioner in oral and maxillofacial surgery at Atlanta Oral and Facial Surgery. He is a Diplomate of the American Board of Oral and Maxillofacial Surgeons and a member of the American College of Oral and Maxillofacial Surgeons.

Scott DeRossi, D.M.D., GHSU Associate Professor of Oral Medicine and Chairman of Oral Health and Diagnostic Sciences, received his dental degree and postdoctoral training in oral medicine from the University of Pennsylvania School of Dental Medicine. He is a diplomate of the American Board of Oral Medicine.

Roman Cibirka, D.D.S., M.S., is Vice President for Instruction and Enrollment Management and Associate Provost for Academic Affairs at the Georgia Health Sciences University. He is an Associate Professor of Oral Rehabilitation in the GHSU College of Dental Medicine and a Fellow of the Academy of Prosthodontics.

Jaime Lozada, D.D.S., Professor and Director of Advanced Education in Implant Dentistry and Professor of Restorative Dentistry in the Loma Linda University College of Dental Medicine, is a Fellow of the American Academy of Implant Dentistry and a Diplomate of the American Board of Oral Implantology.

John Russo, D.D.S., M.H.S., a private practitioner in Periodontics in Sarasota, Florida, is a clinical assistant professor at the Medical University of South Carolina. He is a Diplomate of the International Congress of Oral Implantologists.

Henry "Butch" Ferguson, D.D.S., Col. Ret., Vice Chair of the Department of Oral and Maxillofacial Surgery and Director of Post Graduate Training at the Georgia Health Sciences University, received his dental degree in 1980 from the University of Pittsburgh School of Dental Medicine, Pittsburgh, Pa. He is a Diplomate of the American Board of Oral and Maxillofacial Surgery, a member of the ADA, and fellow of the American Association of Oral and Maxillofacial Surgery.

David Gane, D.D.S., Vice President of Digital Imaging for Practiceworks Inc., a subsidiary of Eastman Kodak Company, earned his physiology, pharmacology and dental degrees from the University of Western Ontario. He is an international expert on digital imaging and has served as a consultant for numerous universities.

Leonardo Granados, D.D.S., earned his dental degree from Javeriana University in Bogota, Colombia and works for the Atlanta Institute for Advanced Education. He is a fellow of the ICOI in Implants and Prosthodontics and practices implant dentistry in Armenia and Bogota, Colombia.

"I highly recommend The GHSU Maxi-Course® in implant dentistry. It provides the clinician with a science-based educational experience of the highest quality. Those willing to make the commitment to take this course will benefit greatly."

**Richard J. Chichetti, D.M.D.,
Tallahassee, Florida**

Ricardo Mitrani, D.D.S., received his degree from the Unitec University of Mexico City, and a certificate in Prosthodontics and Master of Science in Dentistry from the University of Washington. He served as the Graduate Prosthodontics program's assistant director during 2001. He currently holds academic affiliations at the University of Washington, University of Valencia (Spain) and UNAM (National University of Mexico) and maintains a private practice limited to Prosthodontics and Implants in Mexico City.

Donald Nunn, M.D., D.D.S., practices plastic surgery, otolaryngology/head and neck surgery and oral and maxillofacial surgery in Atlanta. He is a member of Omicron Kappa Upsilon, the honorary dental society.

Maurice Salama, D.M.D., a multidisciplinary private practitioner in Atlanta, is a Clinical Assistant Professor of Periodontics at the University of Pennsylvania and the Georgia Health Sciences University.

Paul L. Ouellette, D.D.S., has practiced orthodontics for 40 years and is the Director of Orthodontics & Dentofacial Orthopedics at the Atlanta Center for Restorative Dentistry. He completed implant dentistry training at the Georgia Health Sciences University and is an expert in implant site preparation in adjunctive orthodontics and temporary anchorage implants. He and his sons published the iPad book, 3D Dentists: The Future of Dentistry is Now!

Solon Kao, D.D.S., Assistant Professor at the Georgia Health Sciences University received his B.E. in Biomedical Engineering from Vanderbilt University in 1994. He earned his dental degree, with honors, from the University of Tennessee College of Dental Medicine in 1998. Dr. Kao completed externships in Oral and Maxillofacial Surgery at Vanderbilt and his internship and residency in 2005 in Oral and Maxillofacial Surgery at LSU.

Robert Pauley Jr., D.D.S., earned his dental degree from the University of Kentucky and has practiced in Union City, Ga., for over 20 years. He completed implant dentistry training at the Georgia Health Sciences University and is a member of the Advanced Dental Implant Studies Group. He is an Associate at the Atlanta Center for Restorative Dentistry.

Jimmy Londono, D.D.S., earned his degree from the Universidad Autonoma de Manizales in Colombia. He completed six years of training in implant dentistry at the Atlanta Center for Restorative Dentistry and a prosthodontics residency at the Georgia Health Sciences University, where he joined the Department of Oral Rehabilitation in 2007 as an assistant professor.

James Rutkowski, D.M.D., Ph.D., practices general and implant dentistry in Clarion, Pa. He is a dental courtesy staff member at Clarion Hospital. He received his Ph.D in pharmacology and toxicology at Duquesne University in Pittsburgh, and is a past president of the ABO/ID. He is a Fellow of the American Academy of Implant Dentistry and a Diplomate of the American Board of Oral Implantology.

Joy Millis, C.S.P., is the foremost authority on the business of implant dentistry, with a unique combination of specialty and general practice expertise. She is a Certified Speaking Professional and a trusted advisor to hundreds of dentists. Joy is an innovator in practice development solutions, influencing patients to receive comprehensive dental care, getting paid without insurance interference, developing referral relationships and recovering lost patients.

Hilt Tatum, D.D.S., Associate Professor in the Lille University Medical School Department of Oral and Maxillofacial Implantology, is a Diplomate and Past President of the American Board of Oral Implantology, Past President of the American Academy of Implant Dentistry and Past Director of the Edward White Hospital Implant Residency Program.

Joey M. Pitts, D.D.S., earned his dental degree from the Georgia Health Sciences University, where he also completed implant dentistry training. He is an Associate at the Atlanta Center for Restorative Dentistry and has a private practice in Smyrna, Ga. He is a member of the Advanced Dental Implant Studies Group.

Frank Recker, D.D.S., J.D., a lawyer specializing in state regulatory practice and professional malpractice defense law in Ohio and Florida, is Chief Legal Counselor for the American Academy of Implant Dentistry and a former member of the Ohio State Dental Board.

Lee Whitesides, D.M.D., M.S., received his DMD from Georgia Health Sciences University College of Dental Medicine. He is a Fellow of the American College of Oral and Maxillofacial Surgeons and the American Association of Oral & Maxillofacial Surgeons. He is a Diplomate of the American Board of Oral and Maxillofacial Surgeons.

"The Maxi-Course® is most successful because of the personal commitment of the course director, Dr. Ed Mills. Dr. Mills is totally dedicated to his students' clinical and professional development. He encourages critical interaction and debate with the faculty, who are the most outstanding in the field. Through his personal coaching, course participants are challenged beyond their expectations. I have been fortunate to have the giants in dentistry as my professional mentors and I can proudly include Dr. Mills among them"

**Martin Silver, D.M.D.,
Periodontist and Orthodontist
Marietta, Georgia**

ADA C·E·R·P® | Continuing Education Recognition Program

"The Maxi-Course® was one of the most wonderful experiences in my career! I've been practicing implant dentistry for over 15 years and the course has provided me with up to date knowledge. It also gave me more confidence to continue performing the surgical and restorative phase of this field. At the same time, I was able to share the experience and become good friends with colleagues practicing in different states."

Christian E. Davila, D.D.S., M.S.
Prosthodontist
Tampa, Florida
