Policy Concerning Alterations to Final Examination Schedule:

We do not alter the final examination schedule to increase between-semester breaks! Exams are spaced to give all students the opportunity to perform well on both written exams and lab practicals. If a course director wishes to move a final exam forward into the week prior to Final Exam Week in order to provide additional spacing of examinations, they may contact Dr. Phil Hanes. If students or faculty have constructive ideas concerning examination sequence and spacing that would improve student performance, please contact Dr. Phil Hanes.

Faculty:

- **Please end all course lectures at 10 minutes before the hour.** This allows time for the faculty in the class following yours to prepare audiovisuals for their class, and for students to prepare for clinic and start patient care in a timely manner.
- **If possible, please avoid scheduling quizzes on the day before final exams.**
